FEATURING THE BEST IN INNOVATIVE, URBAN ARCHITECTURE... Midtown Miami's urban design is reminiscent of New York's SoHo district with a Miami twist. Our location puts you in the middle of Miami's fresh urban energy, near downtown and the famed Design and Arts District, just across town from the beach and centrally located close to all the main roadways. City sidewalks take you past shops, restaurants, residential buildings, office buildings, cafes, boutiques and green spaces. We offer uniquely designed floorplans, with multi-level, loft and tower spaces. The pool deck is a true urban oasis with panoramic views of Downtown Miami and Biscayne Bay. This is true city living!
