

Downsizing Checklist

Downsizing can seem like a daunting task, but when you break it down into steps you can make the process manageable and organized.

Get Organized

Check off each step as you go through your downsize

- Measure your furniture
- Confirm with a moving company
- Label your moving boxes
- Get dimensions of your new home
- Update your address
- Go digital with paper items
- Take inventory of your possessions
- Declutter your rooms
- Schedule donation pickup
- Set up utilities

Categorize Large Items

Decide which items you want to keep, trash or put into storage:
